The Center for Technology, Essex is an equal opportunity agency that offers all persons the benefits of participating in each of its programs and competing in all areas of employment. This agency does not discriminate because of race, religion, color, ancestry, national origin, sex, sexual orientation, place of birth, or age, or against a qualified individual with a disability.

DESCRIPTION OF COURSE:

This course provides didactic instruction and laboratory exercises for dental assistants and dental hygienists. It will provide students with a thorough understanding of the morphology (form) and physiology (function) of the primary and permanent dentitions and head and neck structures.

COURSE OBJECTIVES:

- Identify and correctly utilize dental terminology
- Explain the location, composition, structure and clinical importance of the tooth enamel, dentin, pulp, cementum, periodontal ligament, bone, alveolar process and head and neck landmarks
- Identify each tooth and its landmarks
- Identify the dental arches, quadrants and occlusion

FOR THOSE APPLYING TO THE 2008 EFDA PROGRAM:

- Participation in this course does not guarantee acceptance into the 2008 EFDA Program, **but it is a prerequisite.**
- The final written exam and wax carvings of teeth will be used in the selection process for the 2008 EFDA Program.
- If you participate in this course and apply, but are not accepted to the 2008 EFDA course, you will not need to retake the course if you apply and are accepted into the 2009 EFDA course. However, you will need to repeat and pass the written and practical exam with a grade of 84% or higher. Cost to retake exam will be \$75.00.
- If the applicant is accepted in 2008 EFDA Program, the price of this course will be deducted from the tuition.

STUDENT INFORMATION:

- In the event school is closed due to bad weather, local radio stations will announce the closings. Cancelled classes will be made up at a convenient time.
- Food and beverages are not allowed in the classroom areas. Water only.
- Cafeteria available for lunch on site.
- Smoking and alcoholic beverages are not permitted in the building or on the school grounds.
